**About, Vision,  
Mission & Value**

## About, Vision, Mission & Value

### About AOU

The Arab Open University is an independent, non-profit Arab academic institution committed to providing educational opportunities to all segments of society in the Arab world based on a blended learning system which is a combination of traditional education (which requires face-to-face tutorials), and self-study packages and e-learning resources with systems to serve sustainable human development.

---

### AOU Vision

A pioneering university dedicated to building the science and knowledge society.

---

### AOU Mission

Develop and disseminate knowledge and build expertise according to international quality standards without time or geographical barriers for the sake of contributing and preparing manpower for development needs, and to build science and knowledge society in the Arab countries.

### AOU Core Values

#### The AOU's core values are as follows

- Caring for students seeking knowledge
- Community services and social responsibility
- Lifelong learning
- Commitment to total quality standards
- Encouraging creativity
- Commitment to professionalism
- Belonging/ Affiliation
- Teamwork
- Taking care of Human Recourses
- Equity and equal opportunities
- Freedom of research and thinking
- Accountability, integrity and transparency

The AOU  
**Alumni Club**

## The AOU Alumni Club

### A Brief History of the Alumni Club

The AOU Alumni Club was established in order to fortify the bonds and foster the ties between Arab Open University and its alumni. The 2022-2017 AOU Strategic Plan has confirmed the significance of "opening channels of communication with alumni and enhancing their role in the development of the University ". Accordingly, Arab Open University has established the Alumni Club which comprises 3445 graduates.t

### The Alumni Club goals

- Building and developing a lifelong relationship between the University and its alumni.
- Giving the alumni the support to achieve their goals and provide diverse services to their communities.
- Creating a nurturing cultural and social and incubation environment that can enhance the alumni's career development.
- Igniting the alumni's spirit of giving back to the University and motivating them to contribute in the activities that support the University; and strengthen its engagement with the community and the labour market.
- Disseminating information regarding AOU, its vision, mission, faculties and the educational services it provides; and enhancing AOU's positive image among the community members and the media.
- Organizing cultural, scientific, social, artistic, sports and voluntary activities aimed at strengthening the relations between AOU and the community.
- Continuously developing the skills and capabilities of the University alumni through the organization of capacity-building workshops and training courses in cooperation with the Training, Continuous Education and Community Service Center at the University.

## The AOU Alumni Club

### The Alumni Club goals

- Familiarizing the final year students with the labour market requirements through organizing field visits to business sites, and training courses that develop their employability skills in cooperation with the Training, Continuous Education and Community Service Center at the University.
- Fund raising and bringing financial and in-kind donations and attracting various financial and moral support to the University and its development projects

Contact the Alumni Club members by e-mail: [alumniclub.bh@aou.org.bh](mailto:alumniclub.bh@aou.org.bh)

### Alumni Electronic Portal

Based on the university's vision to keep in touch with its graduates and to help them in their career, an electronic website for university graduates is created, so that the graduates can register themselves to follow the university news, to communicate with other graduates, to find out training opportunities and job vacancies, and to participate in various university events and courses or organize such events.

**The alumus can register in the electronic portal by visiting the following link:**
